That works too (and less work!)
Thanks.

Mike and all,

I think you might just be able to submit a search request for the timeframe – 2/1/17 through the date of the request and the domain for casey indicated in the request. I don't know that you'd need additional key words.

Also, you probably want to reach out to the requester and seek an extension – given the resource limitations in OEI, they have indicated that there will be a slow-down in search times.

Allison

Fyi – Rita and I spoke about this one and came up with a strategy to comply.
Summary: Rita will talk to Gary to get search terms and then she will submit for collection. Gary will have to review the results.

Subject: Multiple requests from Allan Blutstein -- America Rising

A number of you have received (or may receive) a FOIA request from Allan L. Blutstein (America Rising) requesting all emails sent to or from a specific employee in your office that mention Scott Pruitt, Donald Trump, or other public officials. It appears that these requests are for emails of staff who may be union officials.

You should handle these requests as you normally would, keeping in mind advice from GLO/ILPG
